Move out of dangerous area. Take off contaminated clothing and shoes immediately. If inhaled : Move to fresh air. If symptoms persist, call a physician. In case of skin contact : Wash off with soap and plenty of water. If symptoms persist, call a physician. In case of eye contact : Rinse immediately with plenty of water, also under the eyelids. Consult a physician. If swallowed : Rinse mouth with water. Do NOT induce vomiting. Consult a physician. 4.2 Most important symptoms and effects, both acute and delayed Symptoms : No information available. Risks : Aspiration hazard. irritant effects 4.3 Indication of any immediate medical attention and special treatment needed Treatment : Treat symptomatically. For specialist advice physicians should contact the Poisons Information Service. SECTION 5: Firefighting measures 5.1 Extinguishing media 5/19 - EN
